Cir. No. 22 / 2018

30th November, 2018

To

All the Zonal/Divisional/Regional/State Units,

Proceedings before CGIT on 26 and 28th of November 2018

The Dispute which was referred to Central Government Industrial Tribunal, New Delhi by the Hon'ble Supreme Court under Section 10 of the ID Act 1947 is now under consideration by the Tribunal. The AIIEA and WZIEA being the claimants from the beginning i.e., from NIT 1985 are in this Dispute also and are numbered as Serial No 3 and 4 in the notice issued by the Learned Tribunal.

During the last hearing, we had filed our claim petition and the matter was listed for hearing on 26.11.2018. Our Advocate Dr. P. Ravishankar and Com Anil Kumar Bhatnagar, Vice-President, AIIEA were present to make submission and defend the interest of the eligible candidates as per the Award.

As the Presiding officer was holding additional Charge of Chandigarh Bench also he was compelled to stay back at Chandigarh on 26.11.2018 and could not preside over Delhi Bench. When the Court assembled at 10.30AM on 26.11.2018, new claimants came with fresh applications which included very many associations and groups of persons.

This submission was opposed vehemently by the Advocates representing LIC. However, the Court Officer after getting instructions from the Judge directed the claimants to file their claim applications in two copies with the condition that the Judge would decide their acceptability on 28.11.2018 and posted the matter for further consideration on 28.11.2018. Our representatives also submitted some left over applications received after the last date of hearing.

When the Court assembled on 28.11.2018 the claimants prayed for acceptance of the fresh applications which was opposed by LIC Advocates. The Counsels for LIC further submitted that the Management needs at least one month to verify and respond to more than 18,000 applications received from all over India.

Considering the importance of the issue the Tribunal accepted the applications condoning the delay and observed that no more applications will be received. As the time given by the Supreme Court comes to end on 12.12.2018 the Tribunal posted the matter for LIC Management's response to claims on 11.12.2018.

The matter will, therefore, come up before the Tribunal now on 11.12.2018. The AIIEA will continue to pursue the just demand for absorption of the candidates eligible as per the CGIT Award which was restored by the Supreme Court.

With greetings,

Comradely yours,

General Secretary.
