
EAST CENTRAL ZONE INSURANCE EMPLOYEES' ASSOCIATION

Jeevan Deep Buildings (1st Floor), Exhibition Road, Patna-800001

Circular No.03/2010

Date: 30.04.2010

To,
All members,

Dear Comrade,

Re: 2nd Conference of ECZIEA at Cuttack from 9-11 October 2010

You are aware that the Working Committee of the ECZIEA held at Patna on 12-13 December 2009 decided to hold the second conference of East Central Zone Insurance Employees' Association (ECZIEA) at Cuttack. It was the understanding of the working committee that the dates of the conference should be finalized keeping in view availability of conference hall, accommodation venue and also availability of our all India leadership. We are happy to inform you that the dates of the conference have been finalized and the conference will be held from **9th to 11th October 2010.**

Comrades of our Cuttack Division Insurance Employees' Association (CDIEA) have already started preparations for the conference in right earnest. They are in fact leaving no stone unturned to make the second conference of ECZIEA a truly memorable one. The Executive Body meeting of CDIEA held at Cuttack on 7 March 2010 has expressed its firm resolve to host the conference in a befitting manner. We are happy to note that they have already booked a very well known auditorium in the city of Cuttack- **KALA VIKAS KENDRA**- for the conference; accommodation of Delegates and Observers has been finalized at **CAMBRIDGE SCHOOL** which is just a stone throw away from the conference venue. We are also happy to note that **Sri Jagannath Pattnaik, former Chairman, Bar Council of India and former Advocate General of the state of Orissa, has given his kind consent to be the Chairman of the Reception Committee.**

The second conference of the ECZIEA assumes enormous significance in view of the challenges that the organization has faced right from the day of its inception. Not only has the organization faced challenges, it has achieved success in considerable measure in almost all the fronts. The conference is the appropriate occasion for all of us to reflect collectively on how to consolidate the gains already made and then strive for further advancement in the days to come. We would request all our units to start preparations in a big way for the grand success of the ensuing second conference of ECZIEA.

With Greetings,

Comradely Yours

General Secretary
